NON-LOCAL PRIMARY SCHOOL PLACEMENT INFORMATION FOR PARENTS

Please read carefully before completing this form.

Parents may apply for the non-local enrolment of their child in schools of their choice in addition to their designated local school.

The criteria for the enrolment of non-local students at Stockton Public School will include:

- siblings already or previously enrolled at the school
- medical reasons
- safety and supervision of the student before and after school
- special interests and abilities
- compassionate circumstances
- structure and organisation of the school
- student welfare interests of the child

The principal will ensure that the established criteria are applied equitably to all applicants.

Parents should be provided with an explanation of the decisions of the placement panel in writing, should they request it.

The number of students a school may enrol is limited by the availability of classroom space. This means that some schools may not have room left for non-local enrolments after accommodating local children. To avoid disappointment, parents should check that there are places available in a school before applying.

Once a student enrolls in a non-local school, transfer to another non-local school will only be possible in exceptional circumstances. Transfer to the student's local school will be allowed if space is available.

Parents can appeal against decisions regarding non-local placement.

FORWARD THIS FORM TO THE PRINCIPAL OF THE NON-LOCAL PRIMARY SCHOOL AT WHICH YOU ARE SEEKING PLACEMENT.
